

Precellys 50mL solution for large sample homogenization

- Exclusive vacuum-based 50mL tube holder
- Easy and reliable solution for large sample homogenization
- Compatible with the Precellys® Evolution Touch*

PRECELLYS 50mL SOLUTION

Experience the reliability and efficiency of the Precellys® Evolution Touch for the 50mL format specifically adapted to the needs of large sample homogenization. The dedicated 50mL tube holder, developed for Precellys® Evolution Touch, ensures the efficient and uniform treatment of 1 to 3 x 50mL tubes at the same time.

The Precellys 50mL tubes are compatible with the Precellys® Evolution Touch* model and can be used with the dedicated 50mL tube holder.

* Also compatible with Precellys® Evolution
